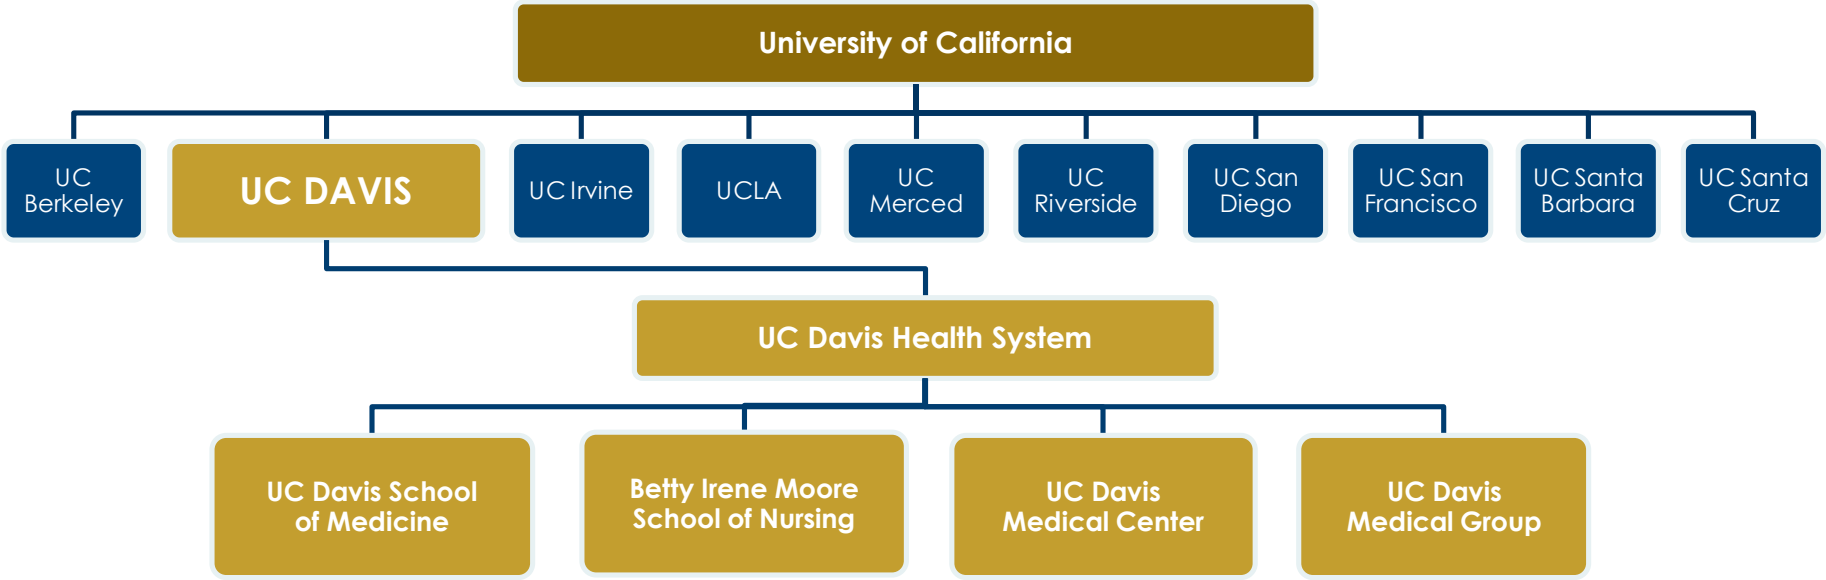
UC Davis Sacramento Campus Today

UC DAVIS HEALTH SYSTEM

Part of a world-class university system



UC Davis Medical Center

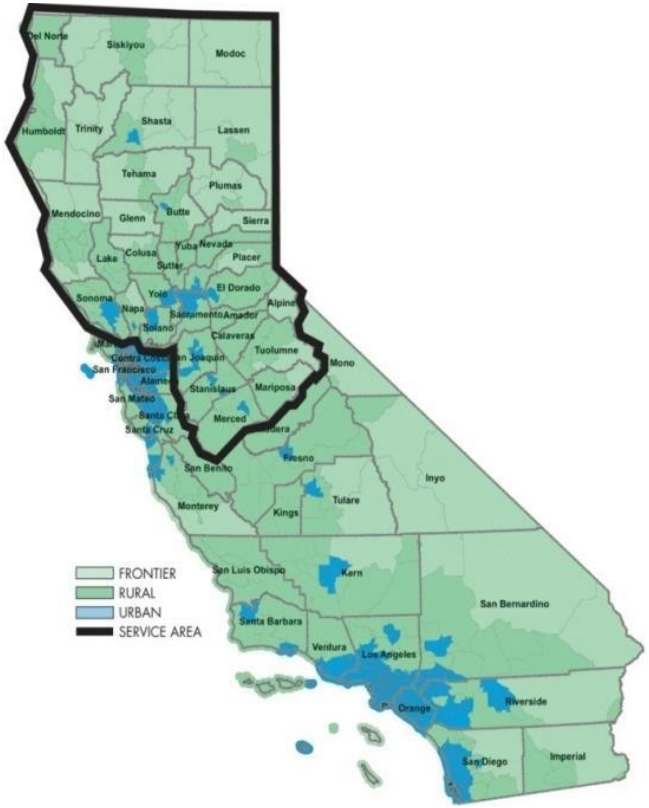
- $1.6 billion annual budget
- 619 licensed beds
- Nationally ranked in 10 specialties and high performing in two others based on *U.S. News & World Report* findings
- Received Magnet Recognition for Nursing Excellence
- Profitable for the last 25 years
- 2,300 faculty, academic personnel, residents and fellows
- 10,000 staff members
- 861,000 outpatient visits, 33,000 admissions and 61,000 ED visits annually
- Financially self-supporting (UC medical centers do not receive state general funds)
- Focus on services needed to support teaching mission

Unique services and areas of strength in region

- Level 1 Trauma Centers for both adult and pediatric emergencies
- NCI-designated Comprehensive Cancer Center
- Comprehensive children's hospital with pediatric ED, ICUs
- MIND Institute for neurodevelopmental disorders
- Regional burn units
- Full range of leading-edge surgical services
- Neurological disorders
- Cardiovascular services

Critical state-wide resource

- Medical center serves urban and rural region
- **33 counties**, **6 million residents** for quaternary care
- Leading referral center for most seriously injured, ill and complex cases
- One of five academic medical centers operated by University of California



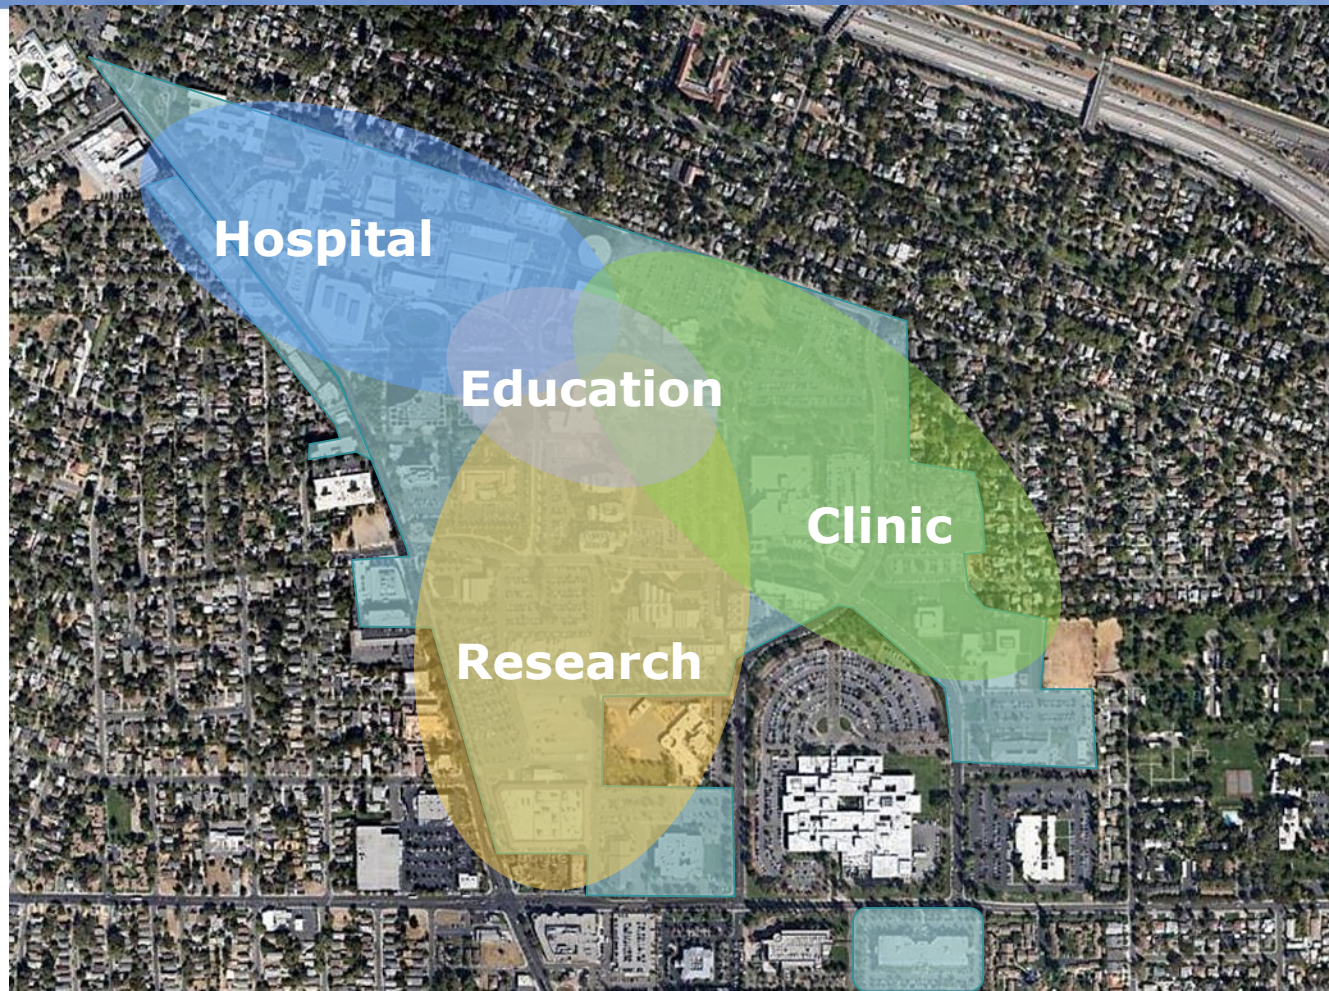
UC Davis Health System Overview

UC DAVIS HEALTH SYSTEM

Health System Space Facts

- 65.7 ha Owned Land
- 451,000 m^2 Buildings
  - 329,000 m^2 Onsite
  - 34,000 m^2 Davis Campus
  - 88,000 m^2 Leased Space

Sacramento Campus Focus Zones



UC Davis Sacramento Campus Existing Research Bldgs.

UC DAVIS HEALTH SYSTEM

Imaging Research Center

Shriners Hospital

Research I,II & III

MIND Institute

Institute for Regenerative Cures

LONG RANGE MASTER PLAN OVERVIEW

UC DAVIS HEALTH SYSTEM

Transform the Education and Research Core into the Heart of the Campus

RESEARCH PARK MASTER PLAN

UC DAVIS HEALTH SYSTEM

9.74ha Area

- 2.4ha land & up to 53.42 m^2 of new building space
- 6,318 m^2 Building
- 2,392 m^2 Building
- 10,000 m^2 Institute for Regenerative Cures Building

Areas of Strength/Focus

- Regenerative Medicine
  - Institute for Regenerative Cures
  - GMP
  - Clinical Studies
- Medical Device
  - # 1 Veterinary School
  - Biomedical Engineering
  - 23 Clinical Departments
- Digital Medicine
  - UCD Health is medical partner in CITRIS
  - Largest telehealth provider in California
- Nanoparticle/Drug Delivery
