

Leading 5G forward

A man in a blue polo shirt is standing in a room with walls covered in blue acoustic foam. He is holding a tablet and looking upwards. The text "Leading 5G forward" is overlaid in the top left. In the top right corner, there is a white hamburger menu icon. In the bottom right corner, there is white text providing the speaker's name and the event details.

NETWORK ARCHITECTURE, METHODS, AND DEVICES FOR A WIRELESS COMMUNICATIONS NETWORK

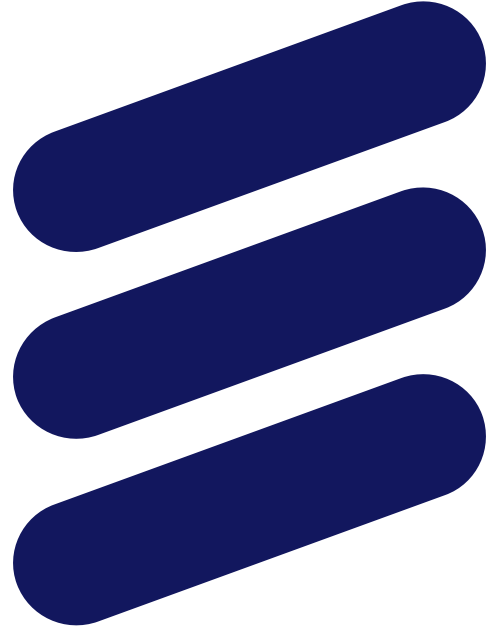

TECHNICAL FIELD

[0001] The present disclosure is related to wireless communications networks and describes network architecture, wireless devices, and wireless network nodes suitable for, but not limited to, a fifth-generation (5G) wireless communications network.

Industry committed to the standard & to FRAND
